Blueberry Brie Cheese Delight

This is a very easy hors d'œuvre recipe that will impress any guest whether it's an unexpected "drop in" or a formal occasion. One customer told us they keep a wheel of brie and a jar of Fair Trade Certified Organic Wild Blueberry Merlot™ Fruit Preserves on hand at all times.

Ingredients:

- 1 (16oz) wheel Brie Cheese
- 1 (8oz) jar Fair Trade Certified Organic Wild Blueberry Merlot™

Preparation:

Place Brie Cheese on an oven safe plate. Spread the Blueberry Merlot™ on the wheel enough to cover the top of the wheel without running over the edges. Place in a preheated 350° oven for 10-15 minutes. The preserves should just start running over the edges and the brie should be soft but not melted to the point where it will begin to flatten. Serve with crackers. Yum!
